Alaska Pebble Mine Clash Heats Up - Huffington Post

Huffington Post - ?6 hours ago?

Kevin McCambly was born and raised in Dillingham, Alaska, just downstream from the proposed Pebble Mine, a massive copper and gold mining project that is pitting corporate interests against commercial fisherman, conservationists and local residents.

Powerhouse Bristol Bay, Alaska salmon fishery produces \$1.5 billion in value

Wall Street Journal (press release) - ?9 hours ago?

ANCHORAGE, Alaska, May 9, 2013 /PRNewswire/ -- The Bristol Bay, Alaska commercial salmon fishery is the world's most valuable wild salmon fishery and in total produces an astounding annual value of \$1.5 billion, according to a new report, "The ...

Pebble Mine opponents put value of Bristol Bay fishery at \$1.5 billion

KPLU News for Seattle and the Northwest - ?1 hour ago?

Though it's thousands of miles away, a proposed mine for gold and copper in Alaska's Bristol Bay threatens to destroy the livelihood of thousands of people in the Puget Sound area. Seattle's fleet of commercial fishermen and seafood processors have been a ...

Alaska's Bristol Bay wild salmon fishery valued at \$1.5 billion

Alaska Dispatch - ?2 hours ago?

Will work for fish: The report concludes that Alaska's Bristol Bay is the world's most lucrative wild salmon fishery, recently accounting for nearly 20 percent of the total value of U.S. seafood exports and creating an estimated 10,000 full-time jobs. flickr / ...
